The President's Corner

Pinedorado is coming! I know, it just ended but organizational efforts for next year's events are once again underway.

Lion Greg Wilson will be the Pinedorado Chairman for the 2012 event. His co-chairs will be Lion Brian Morrow and Lion Teri Lord.

Greg Bates and I will of course be a major part of the planning as informal co-chairs. I hope all of you give this new team the same support as you have given the previous Pinedorado chairs.

Here are some things that we'll be working on.

- The new team plans to work to bring back the follies. They are looking at a traditional, good old fashioned melodrama type follies.
- In addition, They will work to bring back the marines.
- They are planning on putting the management of Pinedorado into a more businesslike system consistent with the huge scope of the event.

Much of that will be transparent to most workers but there will certainly be more focus on chairmen having books describing how to run their part of Pinedorado.

Four years ago I assembled a Pinedorado chairman's book. After my two years as chair, Muriel Clift took my book and greatly expanded and improved it. I am working on putting in the updates from this year's Pinedorado and will then pass the book on to Lion Greg Wilson.

This year's Pinedorado had between 10 and 15% reduction in gross income. But it also had an offsetting reduction in expenses. It appears that our net is close to what we had last year and even more important, we made our budget estimate.

White Can Day October 21

Lion Lanny Loveland still needs volunteers. He has about 10 signed up but needs over 40!!! Give Lanny a call!!!!

That means that the foundation does not have to cut any programs and in fact has a little extra money to support our charities.

Our next two major events are **White Cane Day** and the **Childrens Christmas party**. Please support Lion Lanny Loveland and Lion Nancy Taylor respectively as they run those events.

Don't forget that your club's success depends on new members. Please continue to invite potential new members to attend a meeting and to come to an event and help. Working at our events is one of our best recruitment tools! Also, it is crucial to keep existing members active. If a member is drifting away, please call and invite them back and put them to work. Our service is the biggest thing that keeps our members going.

Check out the Lion scarecrow standing by the schoolhouse. Lion Phyllis Bevan was the artist who created Leo!
